Mr. Philip Warren, Jr., Town Manager
Town of Abington
500 Gliniewicz Way
Abington, MA 02351

Dear Mr. Warren, Jr.,

We are pleased to inform you that the Chapter 90 local transportation aid funding for Fiscal Year 2010 will be \$150 million.

We recognize how important this capital spending is to each municipality across the Commonwealth, especially now during these hard economic times. It is critical that the state works with your community to focus our limited resources on existing transportation infrastructure improvements. This will not only spur immediate economic benefits but ensure the long term viability of our state infrastructure. We will remain dedicated and supportive of the funding of the Chapter 90 program and your local transportation needs.

This letter certifies that the **Town of Abington's** Chapter 90 apportionment for Fiscal 2010 is **\$292,240**. This apportionment is automatically incorporated in your existing 10-Year C.90 contract which was signed in FY2008 and is posted on the EOT Web site <http://www.mass.gov/eot>.

We look forward to working closely with your community to ensure the continuing success of the Chapter 90 program in the years to come.

Please feel free to contact Catherine Paquette at (617) 973-7564 with any questions you may have regarding the Chapter 90 program.

Sincerely,
